You're Invited!

Join NCANN, the Northern California Chapter of the National Association of Neonatal Nurses, for an exciting conference in Napa, California. This conference will take a new spin on the STABLE Program by incorporating Neonatal Hot Topics with the STABLE 6th Edition Learner Course.

Invite a friend and join us for this invigorating learning experience. Everyone involved in the care of critically ill newborns is welcome and will benefit from this amazing opportunity to complete the STABLE Learner Course and hear a variety of best practices in Neonatal Care. Networking opportunities and vendor exhibits are also available.

See you in beautiful Napa, California!

RNC-NIC, BSN
Helen Kim, RN

Historian

Kathleen Gray
MSN, RNC-NIC

CONFERENCE OBJECTIVES

This conference will enable the neonatal clinician to:

1. Identify neonates at risk for developing hypoglycemia; detrimental effects of hypoglycemia; symptoms of hypoglycemia; identify and provide appropriate treatment for hypoglycemia.
2. Discuss detrimental effects and consequences of hypothermia and prevention of hypothermia in the newborn.
3. Identify signs of respiratory distress, explain possible etiologies, initiate intervention and interpret blood gases.
4. Identify causes, presentation, and treatment of hypovolemic, cardiogenic and septic shock. Discuss basic treatments of hypovolemic, cardiogenic and septic shock.
5. Identify neonates at risk for infection and who present with signs of infection, discuss evaluation and treatment for infection and interpret laboratory finds (i.e. CRP, CBC with differential, ANC, and I:T ratio).
6. List ways that caregivers can support parents of sick newborns.

WHO SHOULD ATTEND?

Staff Nurses
Clinical Nurse Specialists
Nurse Practitioners
Nurse Managers
Educators
Instructors
Case Managers
HRIF Personnel
