February 7, 2020

Dear Corporate Supporter of NCANN:

We had a wonderful year last year, and we're looking forward to more exciting events in 2020! We endeavor to provide rich educational experiences for our members and all neonatal nurses in Northern California, and we simply could not do that without corporate support. Our corporate supporters provide valuable financial assistance and also help the neonatal nursing community stay up-to-date on innovative products used to care for NICU patients.

In 2020, NCANN will provide 4 education events: 3 dinner events, and one full day event. Our first event is a dinner event to be held in Mountain View, CA, at El Camino Hospital on March 26, 2020. Our second event will be a dinner event hopefully in the Sacramento area in early May, and our third event will be a full day in September. We'd like to hold it on September 15<sup>th</sup> to celebrate National Neonatal Nurses' Day. More details coming soon on those 2 events. Our final event is our much-loved annual December education and dinner event on Thursday, December 3, 2020, at the Marriott Union Square in San Francisco.

We have not raised our vendor fee in several years, but are asking for a \$50 increase this year to help offset rising costs for hosting our events. We are very proud of our chapter and recognize that we could not provide these opportunities without your support.

We know you have many demands on your resources, but we hope you will consider supporting the nurses who use your products in the care of our most fragile patients in the NICU. The attached NCANN Corporate Support Application has additional information for your consideration. Thank you!

Sincerely,

Melinda Porter, MS, RN, CNS, NNP-BC
